**B Major**

**140 BPM**

## **Verse One**

Raising The Reptilian Race.  
Harjuku Japan is in outer space.  
One robe is the all of wear.  
Mix and match you endear.  
Hybrid reptilian humanoids.  
Dress up, game and be a droid.

## **Chorus**

Do what thou wilt shall be the whole of the law.  
Otaku Iru, techno-freaks, your nails done as paws.  
Anything goes and everything is fair game.  
Dragon Stomp fashionistas, your style is untamed.

## **Verse Two**

Speed tribing school girl infernos Shibuya 109.  
Lolita, visual Kei, rockabilly intertwine.  
Subculture cartoonish way is fine.  
Lizard racing, media is everywhere.  
Days, Nights, burned out, mutated you can scare.  
Cool, wild and edgy, you are not to blame.  
Playing Raising the reptilian race dress-up  
game.

## **Chorus**

Do what thou wilt shall be the whole of the law.  
Otaku Iru, techno-freaks, your nails done as paws.  
Anything goes and everything is fair game.

Dragon Stomp fashionistas, your style is untamed.
